Reunion Group Info Request

RECEIVED FROM ROBBIN AND BILL SQUIRES, OUR POST WEEKEND CHAIRS

Among the responsibilities of Robbin and I, as Post Weekend Chairs, is to facilitate the Way of Christ 4th day activities, which, among other things, includes the planning and securing of locations for the Ultreyas along with compiling and maintaining a master list of Reunion Groups in an effort to match new Pilgrims to a Reunion Group that is in their area.

To that end, we are asking for someone from each Reunion or Accountability Group to e-mail us some basic information. Included in your

3.A designated contact person for your group

4.If you are willing to add someone into your own Reunion Group while keeping in mind a maximum of 4-5 individuals is optimum.

NOTE: We understand that a Reunion Group takes time to mesh and adding someone may or may not be a option for your group at this time.

However, we know that groups change and we are hoping to update and refresh this list twice a year. We are also available for you to contact us if your groups situation changes before the master list is updated.

1.Help new Pilgrims to find or start a Reunion Group

2.Assist past Pilgrims, who currently are not involved in a group

3.Help coordinate the starting of Reunion Groups, in certain areas where there currently is not one

It is our hope that together, we can assist all Way of Christ Pilgrims, both past and present, in their search for a Reunion Group.

Post Weekend Chairs

This Evening I received a message from a brother in Christ to inform me of some sad news that we as the Way Of Christ Community need to lift in prayer.

Carl Prokes, Spiffy to many of us, had his great granddaughter CHARLET ROSE EVANS go to be with Jesus. I don't currently have any other details but please lift Spiffy and family up in your prayers as they are in this time of loss. May the peace and comfort of Jesus our Saviour be with them in this time.

Please continue to lift our spring Rectors, Corey McDermet and Paula Bader, up in prayer as they continue building the teams for our future Pilgrims of weekend #32.

I would like to endeavor on a calendar of important dates/events for our WOC community. I would really appreciate it if you could send me your birthday and anniversary dates to my email, if you'd like me to add them to this project to ramfan4@comcast.net

Blessings to You All this Christmas Season
